**THE ISO'S BULL SHED RESTAURANT NAMED
AMONG THE "BEST OF KAUAI"**

HONOLULU (October 28, 2018) – The Bull Shed Restaurant at The ISO, Castle Resorts & Hotels' newly renovated property on Kauai's east shore, recently took top honors in The Garden's Island newspaper's "Best of Kauai 2018" reader awards. The Bull Shed received first place for Best Eastside Restaurant, first place for Best of the Best – Steak, and second place for Best Overall Restaurant on Kauai.

"We're proud to accept these numerous honors for Best Eastside Restaurant, Best of the Best – Steak and second place for Best Overall Restaurant from The Garden Island's Best of Kauai 2018 Awards," said Ala Perreira, General Manager of The ISO. "These awards are a testament to the excellent service, delicious food and enhanced dining experience that our Bull Shed team continues to provide to our guests."

Located adjacent to The ISO on the beautiful Royal Coconut Coast in Kapa'a, The Bull Shed Restaurant has been serving some of Kauai's best steak and seafood for the past 40 years. The A-frame structure makes this popular restaurant look distinctly rustic from the outside. Inside, light-color walls and a full wall of glass highlight an ocean view that

is one of the best on Kauai. The dining room was recently renovated and an outdoor Oceanside dining lanai was added earlier this year.
